

106.7FM K-Love radio is a part of our daily lives, and we thrive everyday knowing that we are being able to hear inspiring music and broadcast 24/7. We also support K-Love financially, and we know hundreds in our community that do as well. K-Love and other Christian/religious radio stations should be allowed to stay on the air as they have been. It is the American right for speech. If someone doesn't like a certain station, they turn it, like everyone does, every day. Please allow K-Love and the other religious radio stations continue to stay on the air, we hope the FCC will do the right thing, by allowing the right of free speech to continue. Please contact me for any further comments.
